

# Frequently Asked Questions

## What is Moodle?

Moodle is a Virtual Learning Environment (VLE). A VLE is an Internet tool where students can access resources unique to their course, join in discussion forums with other students and contact their teachers and other students via email and messaging.

## What does Moodle Stand for?

**Modular Object Orientated Dynamic Learning Environment**

## How is Moodle different to our [www.ksr.org.uk](http://www.ksr.org.uk) intranet?

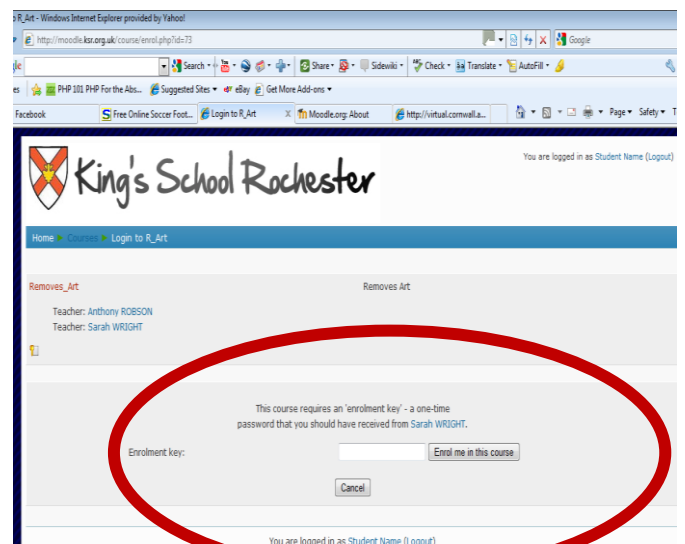

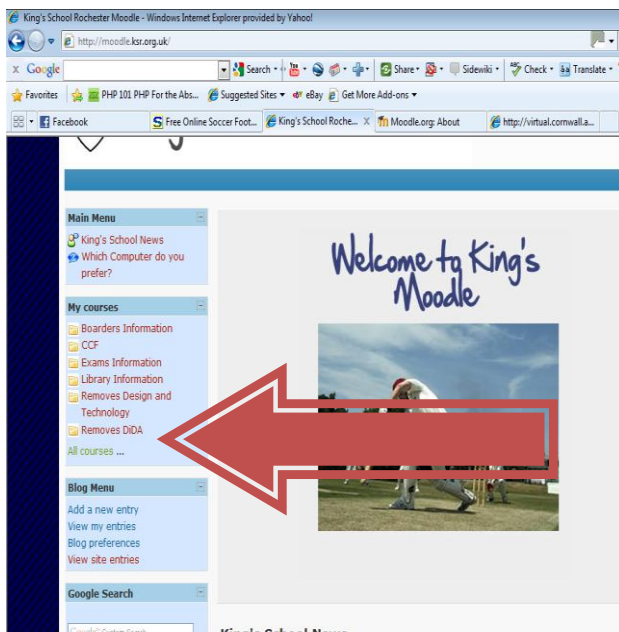

Moodle allows teachers and students to interact and share resources even more effectively outside the classroom. It offers loads of interesting tools such as Forums, Discussion Boards, Quizzes, Polls, etc that will create a different experience for King's School's students.

## How do I use Moodle?

You can access King's moodle on:

<http://moodle.ksr.org.uk>

As you enter the website, you can log in using your Username and Password that you normally use to access the school's network. You can click on Course Categories to access different subject areas. As you click on the different subjects, you will be prompted to enter an **ENROLLMENT KEY**.

## What is an Enrolment Key?

An Enrolment key is a One-Time Password that will be given to you by either your subject teacher or by Mr Ranglall. There is a different Password for every course and every year group.

## Can I access Moodle from home?
